

Dirty Danielle has just had her floor laminated. And there is no pun intended in that statement. Although her cunt did recently got a fresh coating of cock varnish. "My new bloke is relentless," she enthuses. "I don't think I've ever been with a guy who wants sex as much as I do. We'll be at it morning, noon and night and he'll always have a full load to squirt up me — if he hasn't splashed it all over my boobs and face already. I'll not see him for a few days and I'll still have remnants of his sticky mess dripping out of my twat. I can't complain though, it keeps me from going hungry!"

ecause I'm very petite with a small pussy I like big men who can fill me right up.

My partner Bill is only average size so I was very excited when he said his friends Graham and Fred were coming to stay.

Because they were big guys I hoped they would be big where it counted. I got the chance to find out when Bill had to work one night and I was left to entertain them.

We'd been down the pub and when we got home they

were going on about how they wished I wasn't their best friend's partner.

I grabbed Fred, told him not to worry and started to kiss him. Graham looked on in amazement until I invited him to join in.

Graham didn't need much encouragement and was soon touching my tits through my blouse.

They quickly undressed me and started kissing me all over which made me even wetter.

Then they took their pants down and I saw two large hard cocks.

I grabbed them both and put Fred's in my mouth while motioning to Graham to fuck me doggy style.

Soon I had one big cock in my mouth and another in my pussy. I was so turned-on that I came as Graham's balls hit my clit with each stroke.

I was sucking Fred so hard that he nearly came but pulled out just as Graham shot his load up me.

Fred took over in my pussy and I started sucking Graham to get him hard. Fred was so turned-on he shot his load straight away.

I was just about to start again when Bill arrived home. Graham and Fred ran upstairs leaving me to get dressed just before my fella found me! Maya, London.

MELLE... BEHIND THE SCENES AT ESCORT

Julia Jones was delighted to receive so many parcels this month but was most wowed by the bundle of assorted condoms. She promises to use them all by next month – and then tell us all about it! Send Julia more stuff at Escort, 2 Archer St, London W1D 7AW.

BARCOCKS & RUBBERS!

Every day is detention day in Lolly's School Of Rubber. Trust our filthy young friend Ms Badcock to be starring in a smut flick where she runs her own school and gets to dish it out to the submissive likes of Michelle B, Renee Richards and Angel Long. Get yourself a copy of the DVD from Dreamlight, ground yourself and get ready to repeat those lines: "I must not call Lolly Badcock a lesbian slut!"

Letters to Julia

Dear Julia, I am in my early sixties and fantasise about giving oral sex to all the beautiful and not-so-beautiful females who model each month in *Escort*. I would especially like to lick the cleanly-shaven vagina of Ashaya who graced the centrespread of vol 29 no 5. What I would like to ask you is why do you think I have lived all my life without any real sexual fulfilment? Is it fate or just plain bad luck? *Charles, Norwich*.

Julia says: I feel for you Charles but what's with all this talk of our not-so-beautiful models? If you adopt that sort of attitude it's no wonder you haven't got laid recently. Just ask our deputy editor...

Dear Julia, After seeing that Jacquie bird in the last issue stripping off at her local rugby club I thought I'd ask you if you follow any sports, if so, which ones? I reckon you're one of these tarty footballers' wives types – am I right?

Joe, Bath.

ulia says: To be honest I'm more into watersports – if you know what I mean. Having said that I wouldn't mind being one of those football WAGs, they've got it well easy. Just think, I'd get to go shopping all day and fall out of swanky clubs all night! And let's face it, if you are going to fuck a brainless millionaire it may as well be one who's fit as fuck and can last 90 minutes in the bedroom.

WRAPPER'S DELIGHT!

If you've been neglecting your recommended five-a-day in favour of a bit of slap and tickle then why not combine the two? Pasante have got a whole variety of condoms to suit every erection including mixed-flavour condoms with tastes like tantalising strawberry and vanilla, banana and blueberry. OK, they might not constitute your proper five-a-day but they will stop your missus getting fat ~ in the pregnant way!

All the mucky wives that write to us are so enthusiastic about their sex toys we had to act just like them — and spread wider. So here's some extended dildo darlings...

in a local bar I decided to take the bull by the horns and actually make this fantasy come true.

I noticed another couple at the bar who I'd been exchanging flirty glances with and decided to approach them.

After a few drinks and some filthy chat I brought up the subject of a foursome. They were well up for the idea so we raced back to mine.

My husband was quite surprised when we burst through the door but once I'd explained what I had in mind a smile started spreading across his face. I also noticed his cock rising in anticipation.

I dragged the woman, Michelle, into the bedroom Michelle's gorgeous thighs, smelling her sweet fragrance.

I licked her along her wet cunt and flicked her clit with my tongue until she was squirming underneath me.

By now both the lads were rockhard and aching to join in. My husband, tugged off my skirt and panties. Then he released his cock from his trousers and buried it deep into my wet cunt. while playing with his balls.

Carl was thrusting his large, hard cock in and out of my soaking wet pussy.

I ran my tongue around Michelle's tight arsehole then flicked it in and out of her delicate ring.

She was soon cumming bucket loads so I took my tongue out to lap up all her really sweet juices.

I told Stuart I wanted him to come and stretch her tight arse with his big cock and he wasted no time in obeying me.

I turned Michelle onto all fours and released her gorgeous breasts from her

lubrication supplied by my saliva.

Carl took his cock out of my pussy and pulled off my top, releasing my large breasts and stiff nipples.

Lifting me on to all fours on the bed he thrust his prick deep into my aree stretching me really tight.

y wife Julie is a bit of a goer. Just last week while I was at work she was at it with our married next door neighbour!

She takt me all about it when I got back, I love hearing her dirty stories.

She sat there looking at me with a sluttish expression, a cigarette in her hand, telling me how our neighbour had fucked her hard in the pussy and arse.

Then he had spanked her and cum in her face. I felt a surge of energy to my crotch. So I reached over and grabbed her:

Then I pulled her want penties over her shapely legs and turned her over to look at her perfectly round burn.

"If you come home at lunch tomorrow you can see the whole thing," she replied. "Gavin is coming over again at one."

next day at work I had to keep going to the lav to have a wank. My slut wife had got me really hot under the collar and I was going to teach her and Gavin a lesson.

When lunchtime rolled round, instead of going to the pub as normal, I made my excuses and drove home.

"Don't worry, Gav, I know all about it," I said, cracking a smile. "Now put your cock back in Julie's mouth while I get undressed."

I looked down at Julie, or her back on the sofa. Her hair was dark with sweat, or her head and on her matted crotch. I could see Gavin's paw prints all over her boobs and her lipstick was all over her face.

She smiled and spread her legs, I stripped and hoisted her legs up to slipmy cook into her ararm was hursey.

would like to see Stuart fuck me I wasn't going to agrue.

Stuart thrust deep into my pussy and rode me hard. Michelle used her tongue to lick his balls and my clit while he pumped his hard cock in and

out of my pussy.

I took Carl deep into my throat and fucked him with my mouth while playing with his balls.

I could taste Michelle's juices on him - he tasted gorgeous!

Carl pulled out of my mouth and sprayed his spunk across my chest and face. At the same time Stuart

The Hornst deep though many pussy

pulled out of my cunt and sprayed his sticky load all over Michelle.

Us girls licked the lads clean, then we licked all the spunk off of each other.

Once we were all clean we parted company, but not before we all agreed to organise another session!

taking Sean back to the room with us and he was cool with the idea.

I asked Sean if he would like to see me lying naked on a bed. He looked at my husband for approval, and then I stood up and got a man in each arm and went back to the room.

Turkish delight

y husband Alan and I recently went to Turkey for a holiday. Alan was playing pool in the bar with an 18-year-old lad called Sean. I noticed the young lad kept eyeing me up.

When Sean went to get a drink I told my husband and said I was going to wind the young lad up by flashing my pussy at him.

Sean returned, sat opposite me and I parted my legs. My slit was starting to moisten up and he didn't know where to look.

Alan reassured him that it was fine to look and told Sean to have a look at a real woman's pussy.

I whispered to Alan about

I stripped off and lay on the bed. I told Sean to take his clothes off and his cock was standing hard for me. He told me that he had only had sex once before.

I sat up and sucked his young cock and he must have cum after ten seconds in my mouth. Sean was very apologetic

Sean was very apologetic but I told him to pay attention and learn. I then positioned myself over him and sat on his face for a little while.

While he was lapping away at me I leaned forward and started sucking his cock hard again.

Cold cock

y new girlfriend is an absolute revelation in the bedroom.

I used to think I was a filthy bastard but in the few months I've been seeing Sophie she has opened my eyes to a few shocking things.

She loves tonguing my arse and while I don't mind it, it's not exactly something I would have thought about having done to me. I let her finger my arse every now and again but I draw the line at her sticking other things up there.

Fortunately she doesn't mind me sticking things up her shitter.

We went through a phase of getting fresh produce like courgettes, carrots and bananas to stick up there but after chatting about it with a mate in the pub he suggested something else.

He told me to fill a condom

up with water, put it in the freezer and then when it was solid to ram it up Sophie's burn.

I couldn't wait to try it out and when the first mildly warm day of the year arrived I was ready. I just hadn't told Sophie.

After sucking me off I ate out her pussy then started fucking it.

She got on to all fours and I started doing her from behind.

I was ramming my cock into her wet pussy and she started begging me to fuck her arse.

I withdrew and told her to wait as I had something very special for her.

I went downstairs, got the frozen condom out of the freezer and returned without letting her see it.

I stuck my cock back in her cunt and then aimed the frozen condom at her arse. As soon as the tip touched her ring she shivered and asked me what it was. I told her before slowly squeezing it in.

Sophie moaned as the cold object burrowed up her arse. When it was as deep as it could go I started pulling it back and forth.

She screamed with joy at every thrust and within min-

Once he was stiff enough straddled him and gently bounced on his young cock. I told him I wanted him to cum inside my pussy and asked him what position he wanted

He said doggy so I got on all fours and he slipped in between my hot pussy lips.

I got his hand and made him play with my clit while he was fucking me.

We got up a good pace then Sean announced he was going to cum again, so I told

him to fuck me hard and fill

me deep. He did just that and I told him to keep playing with my pussy as I was almost there. too

After a few more tugs at my lips I let out a scream and fell forward on the bed. Sean took his cock out of me and Alan got in behind where he had left.

The cum was trickling out of my pussy as I got filled again by my husband! Helen, Colchester.

utes she was cumming. I followed quickly, spraying my sticky load up her twat. When I pulled out I

continued to do her arse with the frozen condom before it melted and went all floppy! Martin, Herts.

Hot dogging

d never been dogging didn't even know what it was until my fella brought up the subject and suggested

we try it. We drove to a local spot, parked up and waited.

My bloke unbuttoned my blouse and started playing with my nipples and rubbing my wet pussy.

hide the fact that he had his cock out and had been play-ing with himself. I asked him if there was anything I could help him with.

He opened the door and so I climbed in, immediately tak-ing his cock in my hand and wrapping my mouth over the

top of it.

As I slurped away I suddenly became aware of hands on my legs and fingers probing

I could see how excited this was making him so I moved closer and started rubbing his hardening cock through his

Then he reached over and thrust two of his fingers into my soaking hole. It was then he noticed we'd got a bit of an audience and decided to

move to a quieter spot.

As we drove away, several cars followed us. When we arrived at our new location we resumed our earlier activities. I was really horny now and longing to be fucked. I could just make out some-

one sitting in a van and so I asked my fella if we should let him join the fun. My bloke said yes so I made my way over to the van.

took turns to wank and suck them while they played

By this time my fella had joined in and told me to let any guy who wanted to fuck or wanted sucking off to do

For the next half hour I got fucked by a variety of strangers. Some came in my mouth, others sploshed over my face.

went home with my fella and he fucked me rotten, telling me how he had enjoyed watching me with the other blokes! Kelly, Hants.
